Mary and Henry Flynt Grant Application
Administered by the Williamstown Community Chest

The Mary and Henry Flynt Grant is administered by the Williamstown Community Chest on an annual basis. Applications for grants must be submitted by October 3, 2022 for consideration in the current cycle. $49,748.00 is available for distribution in 2022. Requests should be between $1,000 and $25,000; the average amount awarded in the first six cycles is $3,818.00.

Projects funded by the grant are required to demonstrate how they will help maintain or improve the quality of life of the residents of Williamstown. Preference is given to time-limited projects or one-time needs. Recipients are expected to provide incremental and final updates regarding use of funds and project status.

Please complete the following and return to the Williamstown Community Chest

Amount requested: $_____

Has the organization previously applied for any funds from the Williamstown Community Chest? If yes, please list program, amount and year.

1) Describe the project for which funding is requested, including how the need for the project was determined.

2) How will the project maintain or improve the quality of life of residents of Williamstown?

3) What is the expected timeline for implementing the project?

4) What is the expected budget for the project? Please include both expected income and expenses, and indicate whether sources of income are definite or pending.

5) What will be the effect on this project if Community Chest funding is less than requested? What will be the effect if another possible source of funding is reduced or eliminated?

6) How is the organization addressing diversity, equity, inclusion, and access in its work?

Please include any additional information you feel will assist the Special Grants Committee in reviewing your request.
