Williamstown Community Chest

A Message of Thanks

We are celebrating 99 years of dedicated service to the Williamstown community. We know this is only possible because of:

- Our 19 member agencies, that work to keep our community safe and resilient,
- Our generous donors, who contribute time, talent, and financial resources, and
- Our friends and neighbors, who ask "How can we help?" and then cheerfully show up as volunteers and donors to support our community's needs.

Thank you for helping us reach this milestone!

Gratitude Report

Gratitude for Our 19 Agencies

Springtime is the best time of year. Some of the reasons are obvious: more daylight after a dark winter, breezes feel a bit warmer, the flowers dare to bloom.

For the Williamstown Community Chest, Spring is a special time because it's the season for our annual check-in with our 19 member agencies. We hear about their work: successes and challenges, plans for the future, pride in their staff and volunteers. Their commitment to the dignity of the people who come through their doors is clear and non-negotiable.

As they prepare for an uncertain future, our awe-inspiring member agencies are experts in finding creative solutions and collaborating with colleagues. **We are proud to support them and the essential work they do for our community.**

Anne Singleton, Executive Director

A Message from the Board President Matt Carter

For nearly 100 years, the Williamstown Community Chest has been rooted in the idea that when we come together as a community, we can care for our neighbors in meaningful and lasting ways.

Thanks to your generosity, we are proud to support 19 member agencies, fund local initiatives, and bring people together through events like our annual Fun Run and Penny Social. I'm especially proud that 100% of every donation goes directly to our member agencies and the people they serve.

As we look ahead to our 100th anniversary, we see this moment not only as an opportunity to celebrate, but also as a chance to listen—to learn from you about how we can continue to grow and better meet the needs of our community. We hope you'll join us on March 10, 2027 for our 100th Annual Meeting, and on September 25, 2027, at the Clark Art Institute, to celebrate this milestone. Thank you for being part of this shared effort to strengthen our community, now and for the next 100 years.
